THILO SCHNEIDER

Thilo is a partner in our Corporate and Commercial team and has a broad experience in IP/IT and media related matters. A number of his clients are technology focused and he has, for example, advised businesses in the mobile phone business, the mobile advertising and the software industry. Thilo has helped such clients to be admitted to AIM or seek private equity finance and his work as an M&A lawyer regularly requires him to consider intellectual property issues in corporate transactions. Thilo also has particular experience in drafting and reviewing IT contracts and other technology-driven agreements.

Thilo is a fluent German speaker and plays an active role in developing Pritchard Englefield's international connections.

GERALDINE FABRE

Geraldine is a partner in our Corporate and Commercial team and has strong experience of advising clients in the communications, media and information technology sectors in EMEA and globally. She acts for IT, Telecommunications and Satellite operators and advises them on their specific agreements including supply, managed services, maintenance and software licensing as well as their commercial and corporate transactions (from M&A, loan and equity finance to IPO on AIM or Plus in particular). Geraldine can draw on her previous role as in-house counsel of an IT and Software multinational group. As a native French speaker and dually-qualified lawyer, she also has a particular focus on assisting French-speaking clients with their legal requirements in the UK.
